Got a Question?
Throw Us a DART

The Data Action Report (DART) program is your one-stop ALPA communications shop. Whatever question you have for your MEC leaders or committees, you can ask on DART! It's as easy as 1-2-3.

1 Click on the DART icon on the ALPA app home page, or log in with your ALPA credentials at https://dart.alpa.org. The DART system will bring you to your MEC's tailored form.

2 Select the issue type, or category, of your question or comment from the drop-down menu.

3 Continue filling out the form, providing supplemental information, typing in your question or comment, and uploading any necessary documentation.

Once you click "submit," your question or comment will be automatically routed to the proper subject-matter experts in your pilot group. They'll instantly receive an e-mail notification and reply to you as quickly as possible.

Whatever your question, whatever the topic, DART will ensure that your concern gets to the right people for the right answer. Throw us a DART today!

The easiest way to use DART is through the ALPA app! Visit alpa.org/apps for download information.
